

OCR Smoke Test Document

This PDF is intentionally simple and high contrast. It is designed to test OCR extraction on normal paragraphs, structured fields, numbers, and short table rows.

Test Paragraph

Llama Pack Business should read this text from a PDF upload. The expected phrase is: private document ingestion works. The document contains clear black text on a white background.

Structured Fields

Invoice Number	OCR-2026-0007
Customer	Acme Platform Team
Due Date	2026-07-15
Total Amount	\$1,248.75
Reference Code	LPB-OCR-ALPHA-42

Checklist Lines

1. Extract the heading OCR Smoke Test Document.
2. Extract the reference code LPB-OCR-ALPHA-42.
3. Extract the amount \$1,248.75 without dropping punctuation.
4. Preserve the phrase private document ingestion works.
